if there is an overall theme to this study it relates to the american response to the vietnamese communist revolution or more specifically to the august revolution which in 1945 brought ho chi minh and his movement to prominence and power throughout the several phases of u s involvement the support of the french war effort the fostering of an independent south vietnam the years of intense warfare and the postwar hostility the american opposition to the vietnamese revolution has been unrelenting how a communist revolution in such a relatively obscure and economically backward county came to be perceived as a challenge to u s national security can be answered in part but enough uncertainty remains that it continues to be an intriguing question and one with long range implications for u s foreign policy preface

vietnam and the american conscience revised edition a provocative and noteworthy contribution to the dialogue on the meaning of vietnam san francisco review of books walter capps is professor of religious studies the university of california santa barbara

the vietnam war which dominated american life during the 1960s helped to create radicalize and alter social and political life in the us

one of america s leading intellectuals presents a startling thesis sure to provoke controversy that the vietnam war was the right war at the right time with the wrong

military strategy

learn how the united states ended up fighting for twenty years in a remote country on the other side of the world the vietnam war was as much a part of the tumultuous sixties as flower power and the civil rights movement five us presidents were convinced that american troops could end a war in the small divided country of vietnam and stop communism from spreading in southeast asia but they were wrong and the result was the death of 58 000 american troops presenting all sides of a complicated and tragic chapter in recent history jim o connor explains why the us got involved what the human cost was and how defeat in vietnam left a lasting scar on america

in this study of the encounter between vietnam and the united states from 1919 to 1950 mark bradley fundamentally reconceptualizes the origins of the cold war in vietnam and the place of postcolonial vietnam in the history of the twentieth century among the first americans granted a visa to undertake research in vietnam since the war bradley draws on newly available vietnamese language primary sources and interviews as well as archival materials from france great britain and the united states bradley uses these sources to reveal an imagined america that occupied a central place in vietnamese political discourse symbolizing the qualities that revolutionaries believed were critical for reshaping their society american policymakers he argues articulated their own imagined vietnam a deprecating vision informed by the conviction that the country should be remade in america s image contrary to other historians who focus on the soviet american rivalry and ignore the policies and perceptions of vietnamese actors bradley contends that the global discourse and practices of colonialism race modernism and postcolonial state making were profoundly implicated in and ultimately transcended the dynamics of the cold war in shaping vietnamese american relations

the book starts with an introduction to the events that led to france s withdrawal from vietnam and us support of diem s government and goes on to examine how the conflict escalated and the usa became fully involved the book also looks at the pressure for peace on the us home front and how this had an impact on the eventual withdrawal and fallout from the war the role of key figures in the conflict both american presidents and vietnamese leaders is analysed throughout throughout the book key dates terms and issues are highlighted and historical interpretations of key debates are outlined summary diagrams are included to consolidate knowledge and understanding of the period and exam style questions and tips for each examination board provide the opportunity to develop exam skills

a firsthand report on contemporary vietnam presents a portrait of a nation that is struggling under the hold of communism and places the vietnam war in the perspective of a four thousand year old history

the definitive history of modern vietnam lauded as groundbreaking guardian and the best one volume history of modern vietnam in english wall street journal and a finalist for the cundill history prize in vietnam christopher goscha tells the full history of vietnam from antiquity to the present day generations of emperors rebels priests and colonizers left complicated legacies in this remarkable country periods of chinese french and japanese rule reshaped and modernized vietnam but so too did the colonial enterprises of the

vietnamese themselves as they extended their influence southward from the red river delta over the centuries numerous kingdoms dynasties and states have ruled over and fought for what is now vietnam the bloody cold war era conflict between ho chi minh s communist backed democratic republic of vietnam and the american backed republic of vietnam was only the most recent instance when war divided and transformed vietnam a major achievement vietnam offers the grand narrative of the country s complex past and the creation of the modern state of vietnam it is the definitive single volume history for anyone seeking to understand vietnam today

this new edition of a classic book on the impact of the vietnam war on americans reintroduces the haunted voices of the vietnam era to a new generation of readers based on more than 500 interviews long time passing is journalist myra macpherson s acclaimed exploration of the wounds pride and guilt of those who fought and those who refused to fight the war that continues to envelop the psyche of this nation in a new introduction myra macpherson reflects on what has changed and what hasn t in the years since these interviews were conducted explains the key points of reference from the 1980s that feature prominently in them and brings the stories of her principal characters up to date a haunting chorus of voices a moving deeply disturbing evocation of an era san francisco chronicle a brilliant and necessary book this stunning depiction of vietnam s bitter fruit is calculated to agitate even the most complacent american philadelphia inquirer there have been many books on the vietnam war but few have captured its second life as memory better than long time passing washington post book world enthralling reading full of deep and strong emotions new york times

fredrik logevall sets the context to the conflict in vietnam from the end of the indochina war in 1954 to the eruption of the full scale war in 1965 the author assesses the war s impact upon international relations

communist forces in the vietnam war lost most battles and suffered disproportionately higher casualties than the united states and its allies throughout the conflict the ground war in south vietnam and the air war in the north were certainly important in shaping the fates of the victors and losers but they alone fail to explain why hanoi bested washington in the end to make sense of the vietnam war we must look beyond the war itself in his new work pierre asselin explains the formative experiences and worldview of the men who devised communist strategies and tactics during the conflict and analyzes their rationale and impact drawing on two decades of research in vietnam s own archives including classified policy statements and reports asselin expertly and straightforwardly relates the vietnamese communist experience and the reasons the war turned out the way it did

the vietnam war is unique in its profound influence upon the american consciousness america s longest war was also the most important military conflict since the second world war and significantly the first war to receive television coverage war and aftermath in vietnam makes a distinctive contribution as the first study to examine the conflict from a vietnamese as well as a western point of view t louise brown provides a thorough examination of the cultural political and historical dimensions of the war the book combines a broad understanding of the background to the conflict in vietnamese and world history with detailed material on united states military tactics and the failure of

pacification chapters cover topics as diverse and as central as the administrations of johnson kennedy and nixon religion culture and society in north and south vietnam and the nature of the people s revolutionary war in vietnam the book will be of interest to those studying politics international studies and history and to the general reader

finalist national book critics circle award finalist national book award in nonfiction a new york times book review the year in reading selection all wars are fought twice the first time on the battlefield the second time in memory from the author of the pulitzer prize winning novel the sympathizer comes a searching exploration of the conflict americans call the vietnam war and vietnamese call the american war a conflict that lives on in the collective memory of both nations a gorgeous multifaceted examination of the war americans call the vietnam war and which vietnamese call the american war as a writer nguyen brings every conceivable gift wisdom wit compassion curiosity to the impossible yet crucial work of arriving at what he calls a just memory of this war kate tuttle los angeles times in nothing ever dies his unusually thoughtful consideration of war self deception and forgiveness viet thanh nguyen penetrates deeply into memories of the vietnamese war an important book which hits hard at self serving myths jonathan mirsky literary review ultimately nguyen s lucid arresting and richly sourced inquiry in the mode of susan sontag and w g sebald is a call for true and just stories of war and its perpetual legacy donna seaman booklist starred review

in this new collection of essays on the vietnam war eminent scholars of the second indo china conflict consider several key factors that led to the defeat of the united states and its allies the book adopts a candid and critical look at the united state s stance and policies in vietnam and refuses to condemn excuse or apologize for america s actions in the conflict rather the contributors think widely and creatively about the varied reasons that may have accounted for the united state s failure to defeat the north vietnamese army such as the role played by economics in america s defeat other fresh perspectives on the topic include american intelligence failure in vietnam the international dimensions of america s defeat in vietnam and the foreign policy of the democratic republic of vietnam none of the essays have been previously published and all have been specifically commissioned for the book by its editor marc jason gilbert

on april 30 1975 saigon and the government of south vietnam fell to the communist regime of north vietnam ending for american military forces exactly twenty five year of courageous but unavailing struggle this is not the story of how america became embroiled in a conflict in a small country half way around the globe nor of why our armed forces remained there so long after the futility of our efforts became obvious to many it is the story of what went wrong there militarily and why the author is a professional soldier who experienced the vietnam war in the field and in the highest command echelons general palmer s insights into the key events and decisions that shaped american s military role in vietnam are uncommonly perceptive america s most serious error he believes was committing its armed forces to a war in which neither political nor military goals were ever fully articulated by our civilian leaders our armed forces lacking clear objectives failed to develop an appropriate strategy instead relinquishing the offensive to hanoi yet an achievable strategy could have been devised palmer believes moreover our south vietnamese allies could have been bolstered by appropriate aid but were instead overwhelmed by the massive american military presence

compounding these errors were the flawed civilian and military chains of command the result was defeat for america and disaster for south vietnam general palmer presents here an insider s history of the war and an astute critique of america s military strengths and successes as well as its weaknesses and failures

in a riveting sequel to his celebrated westmoreland s war daddis offers a bold new interpretation of america s first lost war upending myths of a better war that led to victory in vietnam withdrawal is required reading for anyone hoping to understand the final years of american intervention in southeast asia

as the united states now faces a major defeat in its occupation of iraq the history of the vietnam war as a historic blunder for us military forces abroad and the true story of how it was stopped take on a fresh importance unlike most books on the topic constructed as specialized academic studies the last war the united states lost examines the lessons of the vietnam era with joe allen s eye of both a dedicated historian and an engaged participant in today s antiwar movement many damaging myths about the vietnam era persist including the accusations that antiwar activists routinely jeered and spat at returning soldiers or that the war finally ended because congress cut off its funding writing in a clear and accessible style allen reclaims the stories of the courageous gi revolt its dynamic relationship with the civil rights movement and the peace movement the development of coffee houses where these groups came to speak out debate and organize and the struggles waged throughout barracks bases and military prisons to challenge the rule of military command allen s analysis of the us failure in vietnam is also the story of the hubris of us imperial overreach a new chapter of which is unfolding in the middle east today joe allen is a regular contributor to the international socialist review and a longstanding social justice fighter involved in the ongoing struggles for labor the abolition of the death penalty and to free the political prisoner gary tyler
